RE: Interim Administrative Restructure for COVID-19 Initiatives, Sisters of Charity Hospital, St. Joseph Campus

Dr. Thatigotla and I have asked Dr. Brewer to serve as Medical Director for the ICU's for our COVID-19 Initiatives. This will allow Dr. Brewer to devote his full efforts to the COVID-19 initiatives at the system level. We will be implementing a new ICU coverage model under Dr. Brewer's leadership.

During next few days, I will be working with Dr. Thatigotla to appoint the following medical staff leaders for St. Joseph Campus:

- Medical Director of the 120+ beds in Stepdown/Med & Surg Units
- Medical Director of the surgical specialties

Please join us in congratulating and thanking Dr. Brewer for assuming this new position.

Thank you again for all you do for our patients.
