RE: Ali Masud, MD, FACC, named Medical Director of Cardiac Cath Lab

---

I am pleased to announce Dr. Ali Masud as the new Medical Director of the Cardiovascular Catherization Laboratory (CCL). Dr. Ali Masud is a board certified interventional cardiologist who specializes in cardiology, interventional cardiology, endovascular/peripheral intervention, nuclear cardiology, echocardiography, and RVPI. Dr. Ali Masud will be engaging with everyone as he takes on the new leadership role and further develops our Interventional Cardiology Program at Catholic Health System while assuring that we provide the highest quality care for our patients, promoting Catholic Health's vision to be recognized as a cardiovascular center with top decile performance and outcomes.

I would also like to take this opportunity to thank Dr. Joseph Gelormini and Dr. Nadeem Haq for their leadership and important contributions to the Interventional Cardiology program at Catholic Health System as CCL Medical Directors.

Please join me in congratulating Dr. Ali Masud in his new role as the Medical Director of CCL.
