

March 2025 News/Updates for Inpatient Providers

- **Reconcile/Review Home Medications**

Reminder to review and/or reconcile your patient's home medications. Some patients might have medications reported by outside sources that will need to be reconciled upon Admission.

- **Reconcile Allergies**

Incorrect or unreconciled allergy information for patients can cause serious adverse effects for patients, sometimes with fatal outcome. It is the responsibility of the nurse and Provider on Admission to review and reconcile Patient allergies.

- **Cardioversion**

The standalone order for Cardioversion (CAR31) has been deactivated - replaced with ECH330 – CARDIOVERSION W/POSSIBLE TRANSESOPHAGEAL ECHO (TEE).

- **Last bowel movement Smartlink**

New Smartlink available for adding to your notes, or anywhere you can use a Smartlink: Use @ADLLASTBOWEL@ for your patient's last recorded bowel movement

- **Lab Updates**

New Enteric Pathogen and Parasite tests available: LAB14322, LAB14323, LAB14324 (see Lab update documents for details)

Free Epic efficiency classes with CME for any CHS provider. Learn efficiency tips for being your best in Epic. Class schedules are available at <https://efficiency.epic.com>

Detailed information for all the above can be found on your Learning Home Dashboard ~ in the "What's New for Inpatient" section
