BULLETIN

July 2025 News/Updates for Inpatient Providers

- **Completed Consult Notification**

  You can set an Alert to notify you when your Consult request has been fulfilled by the consulting physician.

- **BCA PC**

  In the event of an extended downtime episode, everyone should have knowledge of where to locate your BCA (Business Continuity Access) computer and which reports are available to print.

- **Congratulations Residents**

  On another year… and welcome new Residents! See the reminder for logging into Outpatient vs Inpatient

- **Get efficient**

  Learn efficiency tips for being your best in Epic. Physicians and APPs report saving an average of almost an hour per week for each SmartUser class attended. Epic efficiency classes are free and include CME for any CHS provider. See the class schedules and register at https://efficiency.epic.com

Detailed information for all the above can be found on your Learning Home Dashboard
